

Gigaset

The robust DECT handset for professional use.

R410H PRO

The R410H PRO is designed for use in tough environments. Equipped with a splash water and dust protected surface and a shock resistant housing it is perfect for all day use. The R410H PRO is perfect to use with N720 IP PRO, N510 IP PRO and the Gigaset DX800A All-in-one, a hybrid desktop phone. But it can also be connected to all other Gigaset DECT base stations. Zero-touch installation ensures quick and easy configuration.
